What is the Veteran's Legal Clinic?

This is a legal intake clinic designed specifically for veterans. The clinic is operated by the Dallas Volunteer Attorney Program (“DVAP”) and staffed by local attorneys who are licensed to practice law in Texas.

If you are a qualified veteran who attends the clinic, you will meet with a volunteer attorney to discuss your case. These volunteer attorneys will talk through your case with you to help DVAP match you with an appropriate attorney for possible continued representation. Because legal services are provided on a volunteer basis, the clinic cannot guarantee continued representation.

The clinic is held at the Veterans Affairs Medical Center, Recreation Center Building 75, located at 4500 S. Lancaster Road, Dallas, Texas 75216. It is a walk-in clinic, NO APPOINTMENT IS NECESSARY.

The Veteran's Legal Clinic is not affiliated with the Department of Defense, any branch of the Armed Forces, or the Department of Veterans Affairs.

How do I qualify for assistance?

The Veteran's Legal Clinic is open to veterans of all branches of the United States Armed Forces and their spouses.

Financial guidelines may apply for continued free legal representation.

When is the clinic?

The Veteran's Legal Clinic is held from 1:30 to 3:30 p.m. on the first Friday of every month, except for holidays. If there is a holiday that coincides with the clinic, the clinic will be held on the second Friday of that month.

Does my characterization of discharge matter?
